Thinking Outside the Box: An Overview of the Ready by 21 Approach

Thursday, November 5th 10:45am-12:15pm

Hear an overview of the Ready by 21 Approach, the critical ingredient behind building broader partnerships, setting bigger goals, using better data and implementing bolder strategies.

Breakthroughs to Thriving: Top Down + Bottom Up = Comprehensive Community Change

Thursday, November 5th 2:00pm-4:00pm

Be the first to critique tools that the Forum for Youth Investment and the Search Institute hope will help communities link their grassroots mobilization with broader systems change efforts.

The Ready by 21 Tool Kit: Tools for Building Better Partnerships and Designing Bolder Strategies

Friday, November 6th 10:00am-11:30am

See a demonstration of the core Ready by 21 tools and learn how to crosswalk between them. These tools are used in conjunction with Results-Based Accountability planning and Search Institute's Assets-Getting to Outcomes planning process.

Data-Driven Program Improvement: Management Skills and Measurement Tools for Improving Youth Program Quality

Friday, November 6th 1:15pm-2:45pm

Learn about a new research-grounded definition of "point of service quality," discuss the evidence for program quality as evidence-based intervention and learn how the Weikart Center and Search Institute tools can be used to support and promote quality.

Bringing Precision to Your Passion: Tools to Help Answer Questions That Need to be Asked

Friday, November 6th 3:15pm-4:45pm

Learn to ask complex questions about who and where children are; how well they're doing; what they're participating in; how these critical supports are viewed and supported; and how to join forces to get the answers.

Building Effective Business Partnerships

Friday, November 6th 3:15pm-4:45pm

Find out what the best methods are for engaging the business community in supporting youth development, learn what research resonates with business leaders and the ways businesses can be and want to be involved.
