

Using Technology to Support Your Ready by 21 Efforts

**SET GOALS AND CREATE
ACTION PLANS**

**DOCUMENT EFFORTS AND LINK
THEM TO OUTCOMES**

**USING DATA TO MEASURE AND
TRACKING PROGRESS**

Each Organization has a “Sweet Spot” but can support the other functions

**Create Goals &
Plans**

**Measure Data &
Track Progress**

**Document Efforts &
Link to Outcomes**

Offers “scorecard” presentation and formats for data driven decision making

Provides dynamic system for strategic management and results based planning

Provides “analytics” to help communities and programs set goals linked to plans

Offers modest evaluation and participant tracking for programs

Provides dashboard view of goals and related indicators
