

The CYPQ Online Portal Has A New Look!

The David P. Weikart Center for Youth Program Quality (CYPQ), a unit of The Forum for Youth Investment, launched the CYPQ Online Portal in 2015. Since then, we have made occasional updates to the Portal to expand functionality and improve the user experience, but the look and feel of the Portal has always remained the same.

For the first time since its launch, we are updating the Portal with a new appearance.

The screenshot displays the CYPQ Online Portal interface. At the top left is the logo for the David P. Weikart Center for Youth Program Quality. In the top right corner, there is a 'Log Out' button and a new menu icon (three horizontal lines). A 'Help' button is also visible. The main content area features a 'Welcome to the CYPQ Online Portal' message and three primary service tiles: 'Scores Reporter' (with a bar chart icon), 'Training Center' (with an open book icon), and 'Resource Center' (with a wrench and screwdriver icon). Each tile includes a brief description of its function. At the bottom, the 'the forum FOR YOUTH INVESTMENT' logo is present, along with contact information and a copyright notice for 2019. Three callout boxes highlight design updates: one on the left lists 'New Fonts', 'New Icons', and 'New Color Scheme'; one on the right notes that the 'Menu button moved from the left side to top right'; and a third points to the new menu icon.
