

**Michigan 21st CCLC
WINTER/EARLY SPRING 2026 TRAINING CALENDAR**

Planning with Data

These interactive workshops help staff use data intentionally to improve program quality. Participants learn how to interpret PQA data, identify priorities, set meaningful goals, and translate insights into clear action steps that support daily practice and youth engagement.

Date	Time	Series Topics	Format	Registration Link
2/13/2026	10:00 am – 1:00pm	Planning with Data	Virtual	Planning with Data Registration
